

In Your Eyes (*Niamh Kavanagh*)

Showing no emotion, my feelings locked inside,
I made myself an island, trying to take my heart and hide.
I built a wall around me, afraid of letting go,
but suddenly an open door I never saw before.....

In your eyes, (***Your eyes***)
I see the light (***Ooh ~ ooh ~***) (leading me home again.)
It's heaven in your arms, my love,
my heart is in your (***Hea ~ ven ~ in ~ your ~ arms***) (hands.)
In your eyes, (***Your eyes***)
seems so right. (***Ooh ~ ooh ~***) (I see forever in your smile,)
this woman is a child again. (***In ~ your eyes***)

Love's been building bridges between your heart and mine,
I'm safe here on my island, but I'm out on the edge this time.
I built a wall around me, thought I'd save myself the pain,
your touch swept me away, now I'll never play it safe again..

In your eyes, (***Your eyes***)
I see the light (***Ooh ~ ooh ~***) (leading me home again.)
It's heaven in your arms, my love,
my heart is in your (***Hea ~ ven ~ in ~ your ~ arms***) (hands.)
In your eyes, (***Your eyes***)
seems so right. (***Ooh ~ ooh ~***) (I see forever in your smile,)
this woman is a child again.

***I've never been this close,
how do I know love will survive?
I'm walking a tightrope,
here, in your arms, I'm alive***

In in your eyes, (***Your eyes***)
I see the light, (***Ooh ~ ooh ~***) (I see forever in your smile.)
This woman is a child again.

KEY CHANGE!

*In ~ your ~ eyes, I see the light,
leading me home again.
It's heaven in your arms, my love,
my heart is in your hands
In ~ your ~ eyes, feels so right,
I see forever in your smile,*

This woman is a child again, when I look in your eyes.
